Cover for teachers to attend events	£1,760	To improve the range of sports and events at which pupils can compete	<p>Pupils will take part in competitive events in a range of sports. Planned to date:</p> <ul style="list-style-type: none"> <li>• Cross country (1.5 days)</li> </ul>	Increase the opportunity and interest in playing a range of sports.

	(8 days x £220 per day)	with other children/schools.	<ul style="list-style-type: none"> <li>• Badminton (1 day)</li> <li>• Rugby (0.5 days)</li> <li>• Swimming (0.5 days)</li> <li>• Tag Rugby (0.5 days)</li> </ul>	Increase the opportunity and interest in playing sport competitively. Sharing of experiences with school and parents during assemblies and in newsletters raises the profile of competitive sports in the school.
Football coaching time	£1400 (35 x £40 p/h)	To enable the coaching of the school football team on a weekly basis. Entry into league and cup competitions and attendance at matches.	Pupils take part in competitive football events and matches across the season.	Increase the opportunity and interest in playing sport competitively. Sharing of experiences with school and parents during assemblies and in newsletters raises the profile of competitive sports in the school.
Netball coaching time	£1400 (35 x £40 p/h)	To enable the coaching of the school netball team on a weekly basis. Entry into league and cup competitions and attendance at matches.	Pupils take part in competitive netball events and matches across the season.	Increase the opportunity and interest in playing sport competitively. Sharing of experiences with school and parents during assemblies and in newsletters raises the profile of competitive sports in the school.
Skipping workshop for KS1 and KS2	£900	External coaches to visit for 1.5 days to deliver skipping workshops for all KS1 and KS2 classes.	Children engage with and enjoy skipping as part of PE and also as playtime activities. Pupils learn new skills to take part in whole school skipping challenge in March. This will target the least active children.	Opportunities for KS2 pupils to teach and organise skipping games for KS1 pupils at lunchtimes. Participation in National Skipping Day raises profile of skipping as a healthy pastime with pupils and families and increases physical activity.
Skipping ropes	£400	To enable all children to participate in individual and group skipping games and challenges at playtimes and in PE lessons.	Enjoyment levels for skipping are high across the school and every child is included. Long ropes enable many children to take part in games with the support of older children or adults. This will target the least active children.	The equipment will enable children to apply skipping skills learned in the workshop in break and lunchtimes every day (and potentially in PE lessons).
Playground markings	£2000	To improve playground markings to encourage greater playing of games involving movement and exercise, and some with the element of competition.	Children will be more active during break and lunch times playing games based around the new markings (e.g. Four Square). Children will also be able to design their own games, come up with rules and compete. This will impact the least active children.	The markings will enable flexible use, so children can be creative and imaginative when playing games, to enhance engagement. The markings will last for several years and benefit future pupils.

PE Hub subscription	£500	To provide all teachers with access to lesson plans, videos and skills progression to help with the delivery of PE lessons across the school.	Teachers are empowered and well-resourced with ideas for challenging pupils in all aspects of PE. Teachers are able to try new sports and new activities with their pupils, increasing the range of sports and physical activities that pupils are exposed to. Teachers have a better understanding of how to build on children's skills to help scaffold their physical development.	Staff meetings are used to explore the resources. Teachers encouraged to try new activities and provide feedback to support others. The quality of PE provision in school will be developed and improved.
Korfball posts and balls	£1000	To increase the range of sports offered by our school.	Balls, posts and baskets that are moveable to enable korfball to be played at playtimes and in PE lessons. Pupils try a new sport and transfer skills from sports they have already played. Height of posts is adjustable and appropriate for the age of pupils ensuring motivation, safety and success.	Croydon Korfball Club continue to run annual sessions for pupils to raise the profile of the sport and teach basic skills and gameplay. Teachers attend these sessions as part of their own CPD in PE. Children have exposure to new and less mainstream sports.
Dance Club	£800 (20 x £40ph)	To create opportunities for children to participate in after school activities. To facilitate entry in borough dance festival.	Children experienced performing a rehearsed dance piece in front of a large audience at the Croydon Schools Dance Festival.	Plan to offer this opportunity on an annual basis. Performances in school raise the profile of dance within the school.
Fit for Life	£552	-To understand the effects of lifestyle choices on health and well-being. -To work in teams through a number of tasks and challenges. -To understand the benefits of exercise and a wider appreciation of alternative active pursuits. -To understand the importance of making healthy lifestyle choices.	Workshop enhanced the new year 5 cohort's learning about the human body (spring context). Children participated in high energy, aerobic activities and learned about how these activities were good for health and fitness.	-Children take forward into life an increased awareness and understanding of healthy living, including the benefits of exercise and healthy eating.
Climbing Frame	£7000	To develop and support physical development in KS1. To provide climbing equipment for playtime use.	A greater range of physical development opportunities for KS1 children. This will impact the least active children.	Children are more active and healthier through regular exercise. Skills relevant for gross and fine motor skill will be developed.

				Resources can be used by children across all 9 classes. The equipment is guaranteed for 15 years, so will benefit future pupils.
PE Coordinators Conference	£220	For curriculum leads to take part in workshops on various sports and activities. To gain an insight into innovations in the teaching of PE and children's physical development.	Information and experience disseminated to other members of staff to support lesson planning and delivery across the school.	Resources passed onto relevant teachers and saved on staff network for future use. Useful strategies and resources signposted for staff members.
Gym benches	£2,428 (4 x £340; 4 x £267)	To provide up-to-date and safe equipment for all pupils in the school to support their agility, balance and coordination.	The new indoor PE equipment will improve the teaching and learning across the school. New strategies, garnered from training, can be trialled and develop the variation of movements/skills required of pupils.	The equipment will last for many years, so will benefit pupils joining the school in future years.
Gymnastics apparatus	£2,500	To provide up-to-date and safe equipment for all pupils in the school to support their agility, balance and coordination.	Pupils are able to explore a range of challenging obstacles to develop their strength, coordination, balance and agility.	Staff training to ensure best practice and effectiveness in using the new resources, ensuring all staff know safety guidance and a variety of ways of using the equipment to support pupils' physical development. The equipment will last for many years, so will benefit pupils joining the school in future years.
Football goals x2 for MUGA	£120	To increase the range of activities possible in the MUGA during play times and PE lessons.	The goals will enable children to play competitively and for enjoyment in the MUGA. This will increase their opportunity for physical activity.	The equipment will last for many years, so will benefit pupils joining the school in future years.
Playtime sports equipment for KS2 classes	£500	Playtime resources for KS2 classes including balls and bats and storage.	The equipment will enrich playtime provision for KS2 children by providing a range of flexible resources. This will encourage participation and high levels of physical activity and enjoyment at playtimes. This will impact the least active children.	Some pupils to monitor and look after the equipment and storage to ensure its fair use and longevity. The equipment will enable flexible use, so children can be creative and imaginative when playing games, to enhance engagement.
