We are seeking highly motivated, enthusiastic, and inspiring teachers to join our staff team from September 2024. We have opportunities for a full time EYFS class teacher, alongside a full time teacher in KS1 or KS2.

We offer:

- Motivated, independent learners who are full of ideas and questions and enjoy being challenged so that they can achieve well across our creative curriculum and in life.
 - A well-planned, broad, balanced, and inspiring curriculum which develops the whole child.
 - High morale and an atmosphere of trust and respect where quality relationships are at the heart of what we do.
 - A supportive community where close home-school partnership is a key feature.

 - Excellent CPD and distributed leadership opportunities.
 - Quality teaching assistant support which positively impacts on our learners.
 - Excellent systems to manage teachers’ workload and well-being including: planning, preparation and assessment alongside year group partners; minimal paperwork; and a focus on working hard on the things that make a real difference to children.
